I hereby certify that the proposed plans comply with Henlopen Acres Town Code Chapter 43, Building Construction, and Chapter 130, Zoning, and that I will adhere strictly to the approved plans, specifications, and materials associated with this permit application, unless authorized in writing by the Henlopen Acres Town Manager, and will abide by all Codes and Ordinances of the Town of Henlopen Acres. I further acknowledge that it is the obligation of the applicant and/or their agent to ensure that any work performed under this building permit will comply with all Codes and Ordinances of the Town of Henlopen Acres. I also certify that I will reimburse the Town of Henlopen Acres for the cost of any repairs to the streets, easements and rights-of-way necessitated by damage caused under any building permits issued in relation to this application. The Contractor will clean any debris, mud, or other materials deposited on the streets of the Town that may occur during construction.
